

# ASSEMBLY & INSTALLATION INSTRUCTIONS

*American Standard*

## Jefferson™ Mirror 9630.101

Thank you for selecting our products...products which have been the benchmarks of fine quality for over 100 years. To help insure that the installation process will proceed smoothly, please read these instructions carefully before you begin. Also, review the recommended tools and materials list; carefully unpack and examine your new plumbing fixture.

To maintain the beauty of the finish, avoid placing the furniture in direct sunlight, as sunlight causes fading. Also avoid extreme changes in temperature by arranging furniture away from radiators, heat and air vents, and air conditioning units. Avoid placing furniture directly under windows.

### Recommended Tools & Materials

### JEFFERSON™ MIRROR 9630.101

#### Roughing-in Dimensions

**NOTE:** Provide adequate wall support for the size and weight of the mirror if needed.

The location of the mirror is up to the customer's discretion. Once a location is established, use a level and ruler to mark the mounting hole locations. Once the mounting holes are marked, drill two holes using a 1/8" (3 mm) drill. Install two screws into holes leaving the screw heads 1/4" (6 mm) from the wall. Hang mirror on screws.

FIGURE 1

Using a level and square measure, mark the mounting hole locations. With assistance, hold the mirror and drill two 1/8" (3 mm) holes into the wall and install screws as described above. See Figure 1.

**NOTE:** Hardware not included.

## Care and Cleaning of Mirror

Clean the product by using soft, slightly damp cloth. Buff the product by using a soft dry cloth. Avoid using silicone cleaners and waxes.

**NOTE:** Please note that some chemicals may damage the finish. Take care to avoid the following: iodine, hair dye, after shave lotion, shaving cream, alcohol, perfume, Lestoil®, Lysol Tub and Tile Cleaner®, Lysol Spray Disinfectant®, Dow Disinfectant®, acetone, paint remover, Formula 409®, Tile-X®, and Nair®.

730904999-0070A	Mirror mounting kit

## AS AMERICA, INC. ("AMERICAN STANDARD") WOOD FURNITURE WARRANTY

If inspection of this AS America, Inc. ("American Standard") plumbing product, within one year after its initial purchase, confirms that it is defective in materials or workmanship, American Standard will repair or, at its option, exchange the product for a similar model. Variations in actual wood color and finishes which may result from natural characteristics of the wood, such as grain patterns, mineral streaks and the like, are not defects and are not covered by this warranty.

This warranty applies only to the original purchaser and installation of these products.

This limited warranty does not apply to local building code compliance. Since local building codes vary considerably, the purchaser of this product should check with a local building or plumbing contractor to insure local code compliance before installation.

This warranty shall be void if the product has been moved from its initial place of installation; if it has been subjected to faulty maintenance, abuse, misuse, accident or other damages; if it was not installed in accordance with American Standard's instructions; or if it has been modified in a manner inconsistent with the product as shipped by American Standard.

American Standard's option to repair or exchange the product under this warranty does not cover any labor or other costs of removal or installation, nor shall American Standard be responsible for any other incidental or consequential damages attributable to a product defect or to the repair or exchange of a defective product, all of which are expressly excluded from this warranty. (Some states or provinces do not allow the exclusion or limitation of implied warranties, so this exclusion may not apply to you).

This warranty gives you specific legal rights. You may have other statutory rights that vary from state to state or province to province, in which case this warranty does not affect such statutory rights.
