Product Description:

TALLINN

Pressure Balance Valve Bathtub/shower Combo Faucet

Standard Specification:

Large 11" spray face offers wide coverage and an exhilarating and spa-like experience

GROHE StarLight Finishes are 10x more scratch-resistant than conventional PVD finishes and 3x harder.

GROHE StarLight finishes are easy to maintain, come in a range of matte and polished choices, and are made to last.

A pressure balance valve protects your family from unexpected changes in water temperature and pressure and a hot limit safety stop reduces the risk of accidental scalding

Memory position valving for turning shower on and off at preferred temperatures without readjusting the handle position each time

GROHE Ecojoy 1.8 GPM flow rate conserves water without sacrificing performance

Color:

35097000 StarLight Chrome
