C3052OD.709 Value Series

Value Series 30" x 52" Walk-in Bath

The American Standard 30" x 52" Gelcoat walk-in bath provides a similar bathing experience to larger models but fits in smaller spaces and uses less water. The included tub extender allows this tub to retrofit in the same space as a standard bathtub. The full sized, outward opening, contoured door with a low door threshold allows ease of entry and exit.

Fully equipped, the 709 Value Series offers all the latest in safety and comfort features with the most advanced therapeutic options and backed by a lifetime warranty on the door seal, a 10 year warranty on the tub shell and a 5 year warranty on all other components.

Whirlpool Massage

A soothing and invigorating water jet massage system, the Whirlpool massage features an in-line heater and Legs-Only massage. Customize back and leg muscle therapies with 6 different water jets. The Whirlpool Spa is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Combination System

Combines all of the features of the Soaker Tub, the Whirlpool Massage and the Air Spa Systems for the ultimate therapeutic bathing experience. The Air Spa Systems provides a soft and caressing all-over body massage powered by a single speed heated blower that releases thousands of air bubbles rising throughout the water from 21 different air jets. The automatic purge cycle helps keep the system running efficient and clean. The Air Spa is combined with all of the features of the Soaker Tub providing an enhanced therapeutic bathing experience.

Quick Drain® System

Spend less time waiting with this patented innovation, that requires no additional plumbing, once activated it rapidly pumps the water out from within the tub–making it safe to open the door and exit the tub. Included in all systems.
