

Covers all parts inside and out.

LIMITED LIFETIME FUNCTION AND FINISH WARRANTY

American Standard warrants this product to be free from defects in materials for as long as the original consumer purchaser owns this product. American Standard will provide free of charge, at it's sole option, replacement parts) or product (or if no longer available, a comparable product) to replace those which have proven defective in materials

Proof of purchase (original sales receipt) from the original consumer purchaser must be made available to American Standard for all warranty claims. This warranty is non transferable. It does not apply in the event of product damage due to the use of other than genuine American Standard replacement parts, installation error, abuse, misuse or improper care and maintenance (whether performed by a plumber, contractor, service provider or member of the purchaser's household). The warranty excludes damage due to aggressive air or water conditions, or harsh or abrasive cleaners extended or materials. This warranty excludes all industrial, commercial and business usage, whose purchasers are hereby extended a five year limited warranty (with the exception of solenoid valves and other electronic components which carry a one year warranty) applying to all other terms of this warranty except duration. This warranty does not cover labor charges incurred and/or damage sustained in installation, repair or replacement, nor incidental or consequential damages. This warranty is applicable only to American Standard faucets manufactured after June 1, 1996 and installed in the United States, Mexico and/or Canada.

THIS WARRANTY IS EXCLUSIVELY IN LIEU OF ALL OTHER WARRANTIES, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

This warranty gives the original consumer purchaser of an American Standard faucet specific legal rights which may vary from state to state or from province to province. In some states or provinces the exclusion or limitation of incidental or consequential damages is not allowed, so those exclusions may not apply to you.

PART OF LIXIL

**Para uso con cabezales de ducha
de 6,8 L / min (1,8 gpm) o superior.**

Installation Instructions

Instrucciones de Instalación

Adjust Hot Limit Safety Stop

Turn CARTRIDGE STEM (2) to the OFF position (coldest setting) before making adjustment to HOT LIMIT STOP (1). Use a flat blade screwdriver to pry free the HOT LIMIT SAFETY STOP (1). Pull forward and rotate counterclockwise one number to limit hot water temperature. Use ARROW (3) on CARTRIDGE (4) and NUMBERS (5) on HOT LIMIT STOP (1) for indication.

Regule el Limitador de Agua Caliente

Gire el **TALLO DEL CARTUCHO (2)** a la posición de cierre (OFF, la más fría) antes de efectuar los ajustes al **LIMITADOR DE AGUA CALIENTE (1)**. Utilice un destornillador plano para separar el **LIMITADOR DE AGUA CALIENTE (1)**. Tire hacia fuera y gire en sentido antihorario una posición para limitar la temperatura del agua caliente. Use la **FLECHA (3)** del **CARTUCHO (4)** y los **NÚMEROS (5)** del **LIMITADOR DE AGUA CALIENTE (1)** como indicadores.

Care and Cleaning:

Do: Simply rinse the product clean with clear water, dry with a soft cotton flannel cloth.

Do Not: Clean the product with soaps, acid, polish, abrasives, harsh cleaners, or a cloth with a coarse surface.

Para el Cuidado:

Debe: Lavar el producto sólo con agua limpia, secar con un paño suave de algodón.

No Debe: Limpiar el producto con jabones, ácido, productos para pulir, abrasivos, limpiadores duros ni con paño grueso.
