USMCA

UNITED STATES-MEXICO-CANADA AGREEMENT

PART OF **LIXIL**

*American
Standard*

PART OF **LIXIL**

American Standard

LIFE. LOVE. HOME.

For almost 150 years,
our commitment to quality,
innovation and performance
has made us a part of
your bathroom and kitchen routines.

From faucets, bathtubs, showers,
and toilets, our products help
make life happier, healthier, and simpler
in the home and at work.

PART OF **LIXIL**

A Legacy 150 Years in the Making

For a century and a half, American Standard has been more than a name—it's been a part of everyday life. From morning routines to moments of pause, in homes, offices, schools, and public spaces, we've been there. This year, as we celebrate 150 years of trusted performance and timeless design, we reflect on the millions of moments made possible by products built to last. Our commitment has never wavered: to deliver quality, innovation, and comfort to the spaces that matter most. Here's to the next 150 years of shaping how people live, work, and feel at home.

Built to Standards That Cross Borders

At American Standard, compliance with the United States–Mexico–Canada Agreement (USMCA) is more than a checkbox—it's a commitment. This trade agreement supports fair manufacturing, transparent practices, and North American collaboration. Every product in this booklet meets the guidelines set forth by USMCA, which means they are crafted with integrity, responsibly sourced, and designed to move freely across borders while supporting local economies. **Items within this booklet are not impacted by tariffs**, offering added value and peace of mind. As you explore our products, know that you're choosing fixtures that reflect not only design excellence, but also a strong foundation in ethical and regional trade practices.

As we celebrate where we've been and look forward to where we're headed, we remain focused on creating solutions that are not only beautifully designed, but built with purpose. Thank you for being a part of the journey—and welcome to product that reflects 150 years of trust, progress, and possibilities.

Shower System

SKU TU075507.002	TAG Colony PRO	COLOR Chrome (002)
	QTY 1	LIST PRICE \$111.00

American Standard, Colony® PRO 1.75 gpm/6.6 L/min Shower Trim Kit With Water-Saving Showerhead, Double Ceramic Pressure Balance Cartridge With Lever Handle

- Includes One-Piece Cartridge: Simplifies installation and maintenance
- Double Ceramic Pressure Balance Cartridge: Combination of Ceramic Disc Mixing Valve and a Ceramic Balancing Spool in a one-piece cartridge
- Ceramic Disc Mixing Valve: Assures a lifetime of drip-free performance and smooth handle operation
- Ceramic Balancing Spool: Maintains a constant output temperature in response to changes in relative hot and cold supply pressure. Ceramic material is unaffected by mineral deposits and harsh water conditions
- Integrated Check Valves: Engineered to eliminate cross flow
- Comfort Zone: Offers a wider shower range to fine tune the desired temperature within the useful temperature zone
- Back-to-Back Capability: Hot and cold can be reversed quickly and easily
- Water Saving: Saves 30% water usage
- Water-saving 3-3/4" (96 mm) showerhead, 1.75 gpm/6.6 L/min maximum flow
- Shower arm and flange, Wall escutcheon with Red/Blue indicators, Metal lever handle, For Use with Flash Shower Rough-In Valves
